## Horse Riding Outer Mongolia Tour

This 12 day tour takes you from a classic 4 day tour of Beijing to Tergi in Outer Mongolia. Imagine improving your horse skills under the instruction of the famed horseman of Outer Mongolia. We will stay in Mongolian Yurts and ride across this vast and breathtaking landscape. Demonstrations of Mongolian skills and culture will entertain you and provide an opportunity to meet the people of Mongolia.

You will observe the wild Horses of Mongolia to gain a more complete understanding of the human/predator-horse/prey relationship and how it affects everything you do with your own horse. Plenty of time will be spent riding a good and gentle saddle horse in the wide-open spaces and the instruction, while not formal in the usual sense of the word, is an on going, practical application of the natural horsemanship techniques and philosophy the Wade's believe in.
